Celebrate 30 Years!
of summer camp fun for girls on our beautiful, safe campus.
WE come to

Sizzling SUMMER AT SJA

General information
There are two ways to register for Sizzling Summer 2020:

1. Register online at www.sizzlingsummer.org

2. Register using the paper registration form in this brochure.

- Grade levels listed with each camp refer to the grade the student will enter in the fall of 2020.

- SJA reserves the right to cancel those camps which fail to meet registration minimums. If a camp is cancelled, you may choose a new camp or receive a refund.

- Lunch options will be provided by SAGE Dining. We are not able to heat cold lunches brought from home. Concessions will be sold during the day, or campers can bring their own snack. An order form will be emailed to you once you have registered for your camp(s).

Payment and refund policy
Effective February 1, 2020

- There is a $35 non-refundable registration fee per family. This fee includes the cost of one camp t-shirt per camper. Camp registration is not complete until payment is received in full.

- Refund request received by May 22, 2020, will be issued in full. Requests received after May 22, 2020, will be issued minus 15 percent of the camp fee. All refund requests must be received by the Friday before the camp’s scheduled start date. We are unable to issue refund requests received after this time.

- If the student is not present for the first day of the event, a parent/guardian will be contacted. If the student is ill and will be attending once she is recovered, the student’s place will be held. If the student will not be attending, no refund will be made.

We are celebrating 30 years of the finest summer camp fun for girls on our beautiful, safe campus.

**NEW* KEYBOARDING**

Keyboarding as a skill is as important now as it has ever been. With smartphone thumb typing becoming many individual’s introduction to input, keyboarding can sometimes be overlooked. This camp will focus on correct keyboarding form, how to type efficiently, command shortcuts and how to improve accuracy and speed. The goal of this camp is to introduce campers to the input methods they will need to use as they enter high school with fun exercises, games and challenges. This camp is open to girls and boys.

**3D PRINTING AND LASER CUTTING**

SJA has a handle on this exciting technology and a small herd of printers and laser cutters, to boot. We will discuss this technology and the many places it is being applied. Participants will learn basic 3D modeling, learn how 3D printing works, 2D design, and get a chance to print their creations. They will also can see how 3D scanning works and engage directly with the printers. The camp will be held in the Andrea Clesi McMakin ’74 STEM Lab. This camp is open to girls and boys.

*NEW* ELECTRONICS-ROBOTICS

This camp will focus on the basic building blocks of electronics. Campers will have a chance to test their hand at both hardware and software as they build and program simple Arduino robots. We will focus on different ways to program robots both with preset lists of tasks and responding to sensors as well as covering the basics of circuitry including voltage, current and resistance. At the end of the week, campers will compete in a small challenge to see who can build a highly functional robot. This camp is open to girls and boys.

June 15-19, 1-4 p.m., open to rising 5th to 8th grade girls and boys
• Maximum of 10 participants
• Cost: $170

Instructor: Claire Luikart

*NEW* COMPUTER SKILLS

This camp is intended to be an overall introduction to computer usage skills. Topics will include internet safety, malware detection, keyboard shortcuts, best use practices, backing up, the cloud and how to use the Office suite effectively. Students will investigate how the machines they interact with every day function and how they can best utilize the resources available to them to meet their goals. The goal for this camp is to provide campers with a firm foundation for their future high school-level computer integration, education and interaction. This camp is open to girls and boys.

June 8-12, 9 a.m.-4 p.m., open to rising 7th to 9th grade girls and boys
